

WINNING

WITHOUT REGRETS

DAVID RIDLEY

FROM BROKEN BUSINESSMAN
TO BILLION-DOLLAR SUCCESS

CHRISTIAN·GRADS·FELLOWSHIP

David Ridley is a highly successful business mogul whose innovative principles and disruptive practices earned him a high-profile reputation – but it's not a reputation that came easily to David. He hand-built his company in the wake of ample criticism and in opposition to the standards of his competitive industry.

Along the way, David learned not only about being a winning businessman with a perfect client retention rate, but also about being a man who values what matters most in life.

Come hear David speak about how he went from 'broken to billions' as he shares his story of personal and business success.
